President's Foreward

Nicholas R Winterton MP

As President of the Macclesfield Majestic Theatre Group, I am delighted to write the foreword for this year's pantomime production of Jack & The Beanstalk.

Pantomime is one of the great traditions in British theatre and one in which both players and audience often participate with enthusiasm and gusto. The Christmas & New Year season would not be complete without a visit to a pantomime and I very much look forward to attending a performance of Jack & The Beanstalk, which is one of the all-time favourite fairy-stories.

I am personally confident that the talent and ability of everyone concerned with the Macclesfield Majestic Theatre Group will make this an evening of fun and merriment, and as always, a production not to be forgotten.

The fine reputation of the Macclesfield Majestic Theatre Group goes from strength to strength and I am more than delighted to send best wishes for a successful and enjoyable show – and a belated Happy New Year.
